

deejo

A CUT ABOVE.

Deejo est né de notre envie de redonner de l'élégance à un geste désuet : celui d'utiliser un couteau de poche au quotidien. Nous l'avons imaginé simple, léger, ultra léger, sans compromis sur la taille pour n'emporter avec soi que l'essentiel : le plaisir d'une coupe parfaite. Il existe des DEEJO pour tous les goûts, pour toutes les humeurs et pour toutes les envies, pour elle comme pour lui.

***The Deejo began as a desire to (re)kindle the pleasure** of having a knife in your pocket when you need one. We wanted it simple, light—ultra-light—without any compromise on size, so that everyone could enjoy what really matters: a perfect cut anywhere anytime. There are DEEJOs for everyone, for every mood and every taste, for his and for hers.*
